

QHotels

QHotels is a collection of 21 unique, individually crafted hotels spanning the length of the UK – with 5 golf courses, 17 spas and fabulous leisure facilities. We are small enough to give a personal service and experienced enough to ensure our guests have a fabulous stay!

In 2011, we were named AA Eco Hotel Group of the Year and all of our hotels have either gold or silver Green Tourism Business Scheme accreditations – making us the greenest hotel chain in the UK! QHotels also offer free, unlimited internet access at all of our hotels.

Visit us on stand F40 to find out why QHotels offer the ideal short break destinations.
